

This Form 99 submission is in response to the Commission's letter dated April 30, 2008, regarding the Committee's April Monthly Report. The receipt of \$9,750 from the Democratic National Committee was a transfer for the purchase of the state party's voter file, as disclosed on Schedule A for Line 17, and as clarified in the note on page 77 of the report. It is not an in-kind from the Democratic National Committee, therefore, there need not be any offsetting entry on Schedule B. The disbursement for polling was correctly disclosed as a payment for 'generic polling for message development not for the benefit of any candidate for federal office' as detailed on the note on page 77 of the report.
